PUBLIC NOTICE

Sub: Ground level demonstration of "National Hazardous Waste Tracking System (NHWTS)-reg.

Attention: Entities involved in the generation, transportation, storage, recycling, utilization, and disposal of hazardous wastes as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016.

CPCB, Delhi has developed "National Hazardous Waste Tracking System (NHWTS)" for tracking the generation, transportation, storage, recycling, utilization, and disposal of hazardous wastes across the country.

The portal is already functional and can be assessed at <https://nhwts.nic.in/> to facilitate filing of daily records, generation of e-manifest for the occupier and monitoring of the same by SPCB including transboundary movement of hazardous wastes.

For better understanding and to facilitate the registration process and submission of information through these modules by the stakeholders, the Board is organizing a consultative meeting on **04/09/2024** for the entities authorized under HOWM Rules, 2016. Ms. Deepti Kapil, Scientist E and two more officials from CPCB will demonstrate on ground usage of NHWTS application with real users.

Therefore, the stake holders facing any problem in working with the aforesaid portal are requested to attend the consultative meeting in person, which is scheduled to be held at **Meeting Hall** of the Board in Bhubaneswar on **04.09.2024** at **10.00 AM**.

The units interested in attending such a meeting must register themselves in the registration portal developed by the Board (<https://ospcbboard.odisha.gov.in/>) before **12.00 Noon, 03.09.2024**. Interested persons, who can't make it to attend the meeting physically, can view the proceedings of the meeting which shall be live streamed.
